clear.

The reason why people are so distressed when sick, and why so many diet is because they do not got a medicine which will pass to the afficted parts, and which will open the natural passages for the disease. From present Pulkeations, it is evidently destined which will open the natural passages for the disease. To be east out thence, a large quantity of food and other matters I loadered, and the stommeth and intestines are literally overflowing with the corrupted matter through every vois and artery, until life is taken from the body by disease. Br. Morse's PLLis' have from the body by disease. Br. Morse's PLLis' have from the body by disease. Br. Morse's PLLis' have added to themselves visitory upon visitory by restouting millions of the sick to blooming health and inapplieses.
